CONTINUING EDUCATION INFORMATION

Resident licensees may utilize Sircon's Compliance Express Producer Portal at www.sircon.com/nevada to search for approved Continuing Education (CE) courses including seminars, classroom study, the Internet or self-study textbook.

Resident licensees may review CE transcripts online through Sircon's Compliance Express Producer Portal at www.sircon.com/nevada.

CE courses may be searched by approved providers, approved courses, query for course locations, and view/or print your transcript at any time on Sircon's Web site www.sircon.com/nevada, select "Look up education courses/credits" and follow the prompts. The providers also may be contacted directly.

Producers:

Every resident producer must complete 30 hours of CE which has been pre-approved by the Division at their triennial renewal. There is no carry-over of CE credits to the next renewal period. The CE can be completed in one or more of the lines of authority/qualifications held by the licensee. Three of the 30 hours of CE must be in the category of ethics.

Bail licensees:

Every resident bail licensee must complete three hours of CE which has been pre-approved by the Division. Refer to Form 351 for a list of approved Bail CE Providers.

CE Exemption:

Use the CE Exemption Form, Form 320 on the Division's Web site. Those individuals applying for exemption from CE must complete the form and provide documentation to the Division for consideration. The Division will approve or disapprove the CE Exemption request and notify the licensee of its findings.
